THIS MONTH'S MESSAGE

The Importance of Healing and Energy

The cause of disease is basically a long-term poisoning of the body due to emotional stress, genetic tendencies, and/or environmental toxicity. Certain traumas, accidents, loss of a loved one, loss of a job or home, divorce, death and more, can also result in disease. The aura is weakened over a period of time and very slowly the damage to the energy field begins to manifest itself in actual cellular damage.

Our body is energy and this energy creates our aura, which is what I sometimes refer to as a "halo" in my healing workshops. Illness or disease can cause the halo to change. These are the changes that I focus on when I project Bio-Energy Healing by drawing in the electromagnetic energy from our universe, and applying it to the weakened areas defined in your halo. Sometimes a halo can reflect a weakness through a past-life experience. This also can be seen and frequently resolved through Bio-Energy Healing.

ANNOUNCEMENTS

(continued from Page 1)

The electricity in our body can actually be measured through the level of electrical impulses that flow through it by using scientifically-developed electrical instruments.

Our planet is as complex as our body. It is energy and maintains a level of energy in which matter may exist. It is composed of a broad, organized spectrum of electromagnetic, electric, and magnetic fields, which are best understood through the study of physics.

Maintaining your energy is very important to your health and your life. One needs to at least have a monthly healing, especially if your health is compromised in any way. My gift is my ability to connect with the electromagnetic field of the earth and then use its source of life energy to heal you.

Group Healings & Lectures

We conduct group healings every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing. The lectures cover: Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation takes place. See the Calendar for the dates and times.

The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body. Mr. Kolman refers to this as the aura. The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and ener-

getic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective, and just as powerful as a private session. It can even be stronger because the body is very open to receive energy while resting. Some clients also experience

(continued on Page 3)

ANNOUNCEMENTS & TESTIMONIALS

(continued from Page 2)

tingling sensation during distance healing, or a wave of heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many, but not for everyone. It depends on how long you have had the condition, how open you are to healing, and how well your body receives the energy for healing.

Here are the requirements for Distance Healing to be really successful:

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

Testimonial

Ze'ev told me that my right side was fine but that my left side was not intact - very distressed. Unbelievable to me, because that was the exact area where I was experiencing bone loss and pain.

He also said that there was a man looming large behind me, who was protecting me. He said that I would remember him in a special way this month. My father! He had died the same month I went to see Ze'ev.

The experience was beyond description. His healing energy was like "angel hair" or silken spider threads dancing around and into my body - mostly on my left side.

During the healing meditation, I was still somewhat hesitant. I even wanted to open my eyes, but found that I couldn't.

Hooray! What blessed relief. What lightness. It was such a profound experience - beyond words, beyond description. Thank you God for directing me to the healing sanctuary of Ze'ev Kolman. God bless you Ze'ev! —Helen from Canada
