## Bio-Energetic Healer

### THIS MONTH'S MESSAGE FROM ZE'EV

#### Greetings! Happy New Year!

I would like to wish everyone the blessings of this New Year. It is amazing how quickly a year goes by. Enjoy each day for what it is—"another gift of life." If you take time and give thanks for each and every day, you will be surprised by the effect this will have on your life. Just remember, it means taking time every single day to intentionally stop what you are doing and sincerely being thankful for your life.

Life is the most precious thing on earth. Money can prolong life, but it still can't buy or own it. Please don't take life for granted! It is our ability to breathe, eat, sleep, think and feel that keeps us in balance so that we live in harmony. However, the hardships of the world can have an effect on our sensibility. For this reason, I highly recommend that you participate in my workshop, which teaches you powerful techniques to overcome some of the imbalances and replace the negative energy with positive energy.

It is up to you to seek change within yourself. When you change from within, results manifest outside, too. Balance your life and then you will have the knowledge to help other people do the same with their lives.

## ANNOUNCEMENTS

Use everything you learn from 2007—the negative and the positive—as a learning experience to make you a better person.

### Group Healings & Lectures

We conduct a group healing every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing without spending a lot of money. The lectures are on Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation is conducted.

**Please call in advance to schedule for the group healing on January 16th. If you suffer from Stress, Depression, Anxiety or Insomnia, this is for you! Mr. Kolman will transfer healing Bio-Energetic Energy to all the members of the group. Only \$50, and if you bring a friend, both can attend for only \$80! Call now: 212-245-1715, or email: [zeevkolman@gmail.com](mailto:zeevkolman@gmail.com).**

### The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body, which Mr. Kolman refers to as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

From the heart, Ze'ev sends a monthly spiritual blessing. On the same day and time each month, a spiritual blessing is offered to people on their birthday. If you need a blessing or know someone who does, please e-mail their name and location. If you celebrate your birthday in January or February remember to meditate at Midnight (EST) on your birthday by focusing both on your physical intention and on the healer, Ze'ev Kolman. His healing energy will be sent to you.

### Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience the tingling sensation during distance healing. Others feel a wave of

heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many people, but not for everyone. It depends on how long you have had the condition, how open you are to the healing, and also how well your body receives the energy for healing.

There are certain requirements for Distance Healing in order to be really successful.

### Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

**To receive a distance healing, please call: 212-245-1715**

### Testimonial

I feel extremely calm and centered after today's healing session.

Ze'ev also worked on my low back, which started to bother me last night. I immediately started feeling relief. God bless him. These sessions really prepared me for the week.

My next session it was raining and cold outside, but I just finished my session with Ze'ev and feel like spring inside my body—sunny, relaxed, hopeful and confident. I feel confident about my upcoming surgery. I also feel confident that my body and spirit are healing on many levels. In addition to the feeling of electrical current running through my body during my session, I also felt heat.

Ze'ev has been such a gift to me, physically, emotionally and spiritually. I feel so blessed that he came into my life. I can't imagine preparing for my upcoming heart surgery without his assistance. Much Love! —JG

Do think of this as the holidays lead us into the New Year. It is so important to gather your creative thoughts and turn them into action in order to improve your own life and the lives of others.

And think of those who are not so fortunate as you are. When the holidays come, give food to hungry people. Start the New Year with a list of clothes and belongings that you can give away to those less fortunate. This is the best way to get rid of what you think is clutter. Someone else will think of it as treasures.

### Telephone Healing

Ze'ev can even transmit the Bio-Energetic Healing over the telephone while you are in the comfort and convenience of your own home. Appointments may be scheduled weekdays from 9am to 5pm (EST). Most credit cards are accepted.
