THIS MONTH'S MESSAGE FROM ZE'EV

Happy New Year!

The New Year has arrived! Let's not look back to 2009 and think about what we could have done and didn't. Instead, let the obstacles of the past be the opportunities to take action as we look forward to 2010 as a New Beginning. This is a time when we can reflect on the changes we want or need and actually do something about that!

Many people make New Year resolutions, but only a small percentage resolve to follow through on their own intentions. If you made a resolution, it is better to not have set your goals so high that it is impossible now for you to fulfill them. Set realistic and attainable goals so that you will be able to see them take root and sprout into reality. Pushing yourself is always positive if you know when to stop.

If your goal this year is to focus on your health, explore the possibility of Bio-Energetic Healing, which is a wise way to start the new year. If your body has any negative energy, it can result in disease. *(continued on Page 2)*

I wish you good Health, Happiness and Success. I send you energy and Love.

Group Healings & Lectures

We conduct group healings every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing. The lectures cover: Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation takes place. See the Calendar below for the dates.

The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body. Mr. Kolman refers to this as the aura. The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kol-

man actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

Special Monthly Prevention Package

We offer a **Special Prevention Package**. Life is stressful. You work hard and deal with daily responsibilities. All the systems of your electromagnetic field need regular balancing and healing. Your aura needs cleansing of the debris and toxicity that accumulate. The infusion of energy from your chakras and meridians needs to be balanced to promote good circulation. Regular monthly maintenance is the best way to restore a healthy mind, body and spirit. Let Ze'ev help you.

Purchase 6 Monthly Healing Sessions and receive the 7th month FREE! Call now to reserve your regular monthly appointment at the same time every month. It's easy to remember and you will reap the benefits of continuing care. From

the heart, Ze'ev sends a monthly spiritual blessing. On the same day and time of each month, a spiritual blessing is offered to people on their birthday. If you need a blessing or know someone who does, please e-mail their name and location. If you celebrate your birthday in January or February, remember to meditate at Midnight (EST) on your birthday by focusing both on your physical intention and on the healer, Ze'ev Kolman. His healing energy will be sent to you.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective, and just as powerful as a private session. It can even be stronger because the body is very open to receive energy while resting.

Some clients also experience tingling sensation during distance healing, or a wave of heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many, but not for everyone. It depends on how long you have had the condition, how open you are to healing, and

ANNOUNCEMENTS & TESTIMONIALS

(continued from Page 2)

how well your body receives the energy for healing.

Here are the requirements for Distance Healing to be really successful:

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

Testimonials Welcome!

If you have experienced the healing hands of Ze'ev Kolman—or participated in a Workshop—and would like to share your experience with the subscribers of this newsletter (now 25,000+), please let us know. Your testimonial will only be edited for grammar and spelling. It is a great way to share with others what you have experienced. One of the best ways for people to know about Ze'ev Kolman is through the incredible testimonials that pour in.

If time does not permit a regular distant healing, I will sometimes do

telephone healing. My eyes can be open or closed. The process and techniques are the same as in distant healing.

Testimonial

As a result of your treatment last evening, I awoke this morning feeling new life and energy throughout my body. It was the most incredible feeling.

I felt like dancing in my kitchen. For most of the 60 plus years of my life, I had a lot of limitations and fear. The limitations included spinal misalignments, digestive problems, loss of memory, inability to make connections with my brain, loss of hair at the age of 18, etc.

For many years, I had difficulty reading, making decisions and communicating with people. My greatest fear was talking.

I had little desire to be involved in the world. Most recently I had surgery to remove a cancer and was told the core of the cancer was fear.

When the doctors suggested I consider chemotherapy or radiation, I felt my path of healing was to address the fear in other ways.

This search led me to receive your most extraordinary and beautiful gift of healing for which I am truly grateful.
