THIS MONTH'S MESSAGE FROM ZE'EV

We are now in the middle of winter and it is like being on top of a mountain. Don't forget Valentine's Day on February 14th! When the energy of Love shrouds us with patience, kindness and compassion, give someone you love a gift to open the heart chakra and to shower you both with the energy of Love and Light.

This is a special time when we start to develop wonderful relationships for the rest of the year until the next Valentine's Day. Always remember to take some time out for yourself to relax and meditate.

Happy Valentine's Day!

ANNOUNCEMENTS

THE INDIVIDUAL'S AURA—OR TEMPLATE

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body, which Mr. Kolman refers to as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy and orderly, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of a person's aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Ze'ev Kolman actually directs his healing bio-energy. When the influence of this etheric body has totally ceased, as in death, the component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at the energetic level before they become manifest at the cellular level. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

If you need a blessing or know someone who does, please e-mail their name and location. Ze'ev also extends a special *BirthDay Discount* for a private session.

If you celebrate your birthday in February or March, remember to meditate at Midnight (EST) on your birthday by focusing both on your physical intention and on the healer, Ze'ev Kolman. His healing energy will be sent to you.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your

energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be “tuned into” the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience the tingling sensation during distance healing. Others feel a wave of heat, while others experience no physical presence. The effects are the same.

Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many people, but not for everyone. It depends on how long you have had the condition, how open you are to the healing, and also how well your body receives the energy for healing.

There are certain requirements for Distance Healing in order to be really successful.

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

To receive a distance healing, please call **212-245-1715**.

Testimonial

I have Parkinson's Disease and it seemed to be getting worse. When I came in for my session, I was shaking. When the session was over, I was still shaking.

When I woke up the following day, I was not shaking. When I came in for my next session, I felt the stress leaving my body and all the feathers as before, but no shaking, just relaxed and calm.

Mr. Kolman told me that I had an orange aura the last session, and now it is gone.
