## Bio-Energetic Healer

---

### THIS MONTH'S MESSAGE FROM ZE'EV

My decision to share my techniques with the world is rooted in my deep belief that we are at a critical point in time in our human-spiritual evolution.

In order to strengthen our planet during these critical years ahead—and for the sake of generations to come—we must take a giant leap for the human race and contribute to a more rapid human development on all levels of consciousness. Our planet is awakening from its slow-moving evolution into new accelerated cycles. During this special planetary *rite of passage*, I am committed to support all those who choose to make the transition from old to new levels of human consciousness.

Extraordinary tools are here for us to utilize, and now is the time for all of us to learn how to cultivate our innate ability to use these tools with care and responsibility. It's time to leave our cave-dwelling past and enter a New World. This is why I invite you to participate in our ongoing groups every month. Check our schedule for the next two months in this newsletter so you don't miss an important evening!

## ANNOUNCEMENTS

February is the month for Valentine's Day. It's also the American Heart Month, and the 17th is the day for Random Acts of Kindness Day. So, we are all given additional inspiration to shower Love from the heart on everyone we know, and even for those people we do not know! Love is the most powerful emotion anyone can experience.

With Love from Ze'ev Kolman!

### Group Healings & Lectures

We conduct a group healing every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing without spending a lot of money. The lectures are on Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation is conducted.

### The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body, which Mr. Kolman refers to as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

From the heart, Ze'ev sends a monthly spiritual blessing. On the same day and time each month, a spiritual blessing is offered to people on their birthday. If you need a blessing or know someone who does, please e-mail their name and location. If you celebrate your birthday in February or March remember to meditate at Midnight (EST) on your birthday by focusing both on your physical intention and on the healer, Ze'ev Kolman. His healing energy will be sent to you.

### Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience the tingling sensation during distance healing. Others feel a wave of

(continued from Page 2)

heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many people, but not for everyone. It depends on how long you have had the condition, how open you are to the healing, and also how well your body receives the energy for healing.

There are certain requirements for Distance Healing in order to be really successful.

### Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

**To receive a distance healing, please call: 212-245-1715**

### Testimonials

Following are actual experiences of **WORKSHOP** participants:

## TESTIMONIALS

After the workshop, I saw gold when I opened my eyes. I thought I had crawling spiders on my eyes. That's why I jumped. When you sent us energy, I felt thread-like energy radiation. My hair was standing up. My sinuses are better. My breathing is very good now. It almost felt as if you were touching me, but you weren't.—G.

During the end of the exercise I was getting a painful headache and I felt I needed my medication, but sending the energy up into the black hole. That's where it went, and I felt better. —H.

I am consumed by the energy in this room. The more time we spend here, the more energy there is. It's like being plugged in and it won't stop. I've been meditating for many years. This is the deepest meditation I've ever had. The energy was like needles, but very loving. It's as if every cell is open and alive.—M.

Do think of this as the holidays lead us into the New Year. It is so important to gather your creative thoughts and turn them into action in order to improve your own life and the lives of others.

And think of those who are not so fortunate as you are. When the holidays come, give food to hungry people. Start the New Year with a list of clothes and belongings that you can give away to those less fortunate. This is the best way to get rid of what you think is clutter. Someone else will think of it as treasures.

### Telephone Healing

Ze'ev can even transmit the Bio-Energetic Healing over the telephone while you are in the comfort and convenience of your own home. Appointments may be scheduled weekdays from 9am to 5pm (EST). Most credit cards are accepted.
