

Ze'ev Kolman

Bio-Energetic Healer

THIS MONTH'S MESSAGE FROM ZE'EV

The month of February is always about Love. Across the country, candy, flowers, cards, poems and gifts are exchanged between loved ones for St. Valentine's Day.

Let us share our love with everyone, but pour out all the love you feel for that special person in your life. Give with a graceful heart. When you give love, you receive love. When you help others, express your love. Love is a circle of energy. When you consciously direct love, it flows out from you to others. When others receive this love from you, they can't help but send it on to others and back to you. The cliché that *love makes the world go round* is very true! Even when there is a little space left for love, we often don't know how to express it, share it, lavish it on the people we love. Start to imagine that even during those times when you don't feel so great or joyful, the one way you can feel better is to give more love. You will feel better right away! Love is healing.

ANNOUNCEMENTS

(continued from Page 1)

We also celebrate Presidents Day in February. Let us not forget our President. The world is going through a very difficult economic crisis. Let us come together as one and pray to see what we can do for our country and not just focus on ourselves. As we honor Presidents Day, remember the leaders and continue to pray that they will be able to lead us into this New Year with peace and tranquility.

I wish you good health, happiness and success.

God Bless you and your family.
Ze'ev Kolman

Group Healings & Lectures

We usually conduct group healings every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing without spending a lot of money. The lectures cover Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation is conducted.

The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body. Mr. Kolman refers to this as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behav-

ior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

If you celebrate your birthday in February or March, remember to meditate at Midnight (EST) on your birthday by focusing both on your physical intention and on the healer, Ze'ev Kolman. His healing energy will be sent to you.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience tingling sensation during distance healing, or a wave of heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many, but not for everyone. It depends on how long you have had the condition, how open you are to healing, and also how well your body receives the energy for healing.

Here are the requirements for Distance Healing to be really successful:

ANNOUNCEMENTS & TESTIMONIALS

(continued from Page 2)

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

Testimonials

It was my third time visiting Mr. Kolman for spiritual enlightenment work. The previous times I had experienced a feeling of calm. However, this time, I was feeling that someone had placed something above my right eye on my forehead and I was extremely uncomfortable. After explaining this to Ze'ev, he moved his hands over the area. I then felt a dozen or more string-like bands of electricity coming from his hands, and then suddenly, the pressure was gone. I was able to relax into a deep meditative state, and soon with my eyes closed.

I was seeing the color blue. The best way to describe the way it looked is to compare it to a water puddle that has a few drops of petroleum oil swirling in it. While I was seeing this blue with other colors coming in and out of focus, it felt wonderful. As Mr. Kolman continued to work, he put his hands over my forehead again. This time I saw his handprints come through into the blue I was seeing. I actually saw his blue handprints with my eyes closed! I became frozen, but I felt safe.

As my aura extended about 2 feet around my body, I had a sensation of peace and well being. When the session ended, he asked me to sit up. Without my asking, he confirmed that my aura had indeed extended and he could see the blue radiation from me.

Today I am seeing a change in life. I am more confident. Some people I was once friends with are not able to be around my energy and vice versa. I am attracting people who are more enlightened. I must admit that this is a bit uncomfortable because it is not what I am used to. Nevertheless, this is what I am working toward and am enjoying my new outlook on life. Thank you Ze'ev
