

Ze'ev Kolman

Bio-Energetic Healer

THIS MONTH'S MESSAGE FROM ZE'EV

As we approach March, the end of the winter and the beginning of beautiful spring-like weather, use this time as a guidepost or benchmark to begin, or try again, to make yourself the best person that you can be. Whatever might have happened in the past, it is done. Take this month to do your best to move forward. Things from the past do not have to be repeated, unless you invite them by not changing how you embrace the situation. Failure is not an option if you just stay on your path, one step at a time.

This year is your year. Had enough of feeling bad? Look at your life and see what you have accomplished. Appreciate what you have and also what you are working so hard to achieve. Take a moment to look at your life. You might even be surprised by what you have actually achieved thus far. Remember: Success is not measured only by the position one holds in life, but also by the obstacles that one has overcome on the road to trying to succeed.

THE INDIVIDUAL'S AURA—OR TEMPLATE

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body, which Mr. Kolman refers to as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy and orderly, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of a person's aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Ze'ev Kolman actually directs his healing bio-energy. When the influence of this etheric body has totally ceased, as in death, the component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at the energetic level before they become manifest at the cellular level. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit

electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be “tuned into” the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience the tingling sensation during distance healing. Others feel a wave of heat, while others experience no physical presence. The effects are the same.

Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many people, but not for everyone. It depends on how long you have had the condition, how open you are to the healing, and also how well your body receives the energy for healing.

There are certain requirements for Distance Healing in order to be really successful.

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

TESTIMONIALS

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

To receive a distance healing, please call 212-245-1715.

Testimonial

I have a rare form of Cancer in my abdomen called Retroperitoneal Myxoid Liposarcoma. This was discovered in 2001 and an operation quickly ensued. A tumor the size of a basketball was removed along with a kidney, parts of my colon and liver, appendix and something else I cannot even pronounce. Not having the luxury of sick leave, I was back at work in 2 weeks. Took me a year or more to recover.

Had Cat Scans every 4 months, and 2 1/2 years later I had another surgery (because the first operation did not get it all and it had increased in size). This time a tumor the size of 10 centimeters was removed and the nerves in the upper part of my right leg were severed (but I am still walking).

They still did not get it all and I had to be back at work in 2 weeks. Recovering this way is very difficult, to say the least. More Cat Scans every 4 months. Doctors conferred and a Liposarcoma specialist told me that I could do chemotherapy, but it probably wouldn't work. I could also do radiation, but it probably wouldn't work.

So much for modern medicine! I opted to do nothing and to continue with the Cat Scans to keep an eye on the piece that was left.

While visiting a friend, I was given a book to read about Zeev Kolman. I read it, found it compelling and called him. I thought the doctors can't help me, perhaps Zeev can. He not only has a special gift, but I have found him to be a wise, charming, rosy-cheeked, happy person who gives reassurance and hope when others cannot.

I began an intensive once-a-week regimen of 12 sessions to prepare for my next Cat Scan. Each week I visited Zeev to receive positive affirmations, wonderful tickling prickles of energy and mantras that I could repeat all day.

Two weeks ago (1/07) I had an MRI (they switched me from a Cat Scan because the doctor decided that I have been getting too much radiation—now he tells me!). The MRI was an experience—I was given no information about what to expect and therefore it was quite a harrowing one. The wonderful part about all of this is that the MRI showed no increase in the size of the tumor. To say I am ecstatic is an understatement. I attribute the halt in the growth of the tumor to Zeev, his special gift of healing, his encouragement and genuine caring about me as an individual. As a result of the halt in growth of the tumor, my next Cat Scan, or whatever, will be in 6 months (June) instead of in 4 months.

This is tremendous progress for a Cancer patient. For the next 6 months I will visit Zeev on a bi-weekly basis to receive his healing treatments. Together, we will work very hard to make the Liposarcoma totally disappear. I have every confidence that this will happen. —This client wishes to remain anonymous.
