THIS MONTH'S MESSAGE FROM ZE'EV

March is here...at last!! For those of us up North in New York, it has been a long, cold winter. Relief *is* within sight. With all the negative energy of the economy and bailouts, I turn my attention 180 degrees to envision Spring 2009 as the best one yet. I think we can focus our attention more on the moment and realize right here, right now, I am ... and that's enough. The rest is like window dressing.

As Spring generates its growing positive energy, we should try to open up the surge of energy that comes with it. Make an attempt to realize this month that this day is new and whatever yesterday was, it doesn't necessarily have to be that way today again.

I help people change when I transfer bio-energy to the etheric body and its Chakras—if they are willing to change and discover new ways to live. I can be a catalyst to a new way. These times are stressful. When I balance your energy field, your body knows how to heal and be normal. There are many testimonials about how this has helped people with many kinds of conditions. They are also on my Web site newsletter archives and in two books. Don't be afraid or nervous about letting your body receive the positive energy. Embrace the new you. Set yourself free and be happy again.

God Bless You and Your Family!

ANNOUNCEMENTS

Group Healings & Lectures

We usually conduct group healings every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing without spending a lot of money. The lectures cover Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation is conducted.

The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body. Mr. Kolman refers to this as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle

energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

If you celebrate your birthday in March or April, remember to meditate at Midnight (EST) on your birthday by focusing both on your physical intention and on the healer, Ze'ev Kolman. His healing energy will be sent to you.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience tingling sensation during distance healing, or a wave of heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many, but not for everyone. It depends on how long you have had the condition, how open you are to healing, and also how well your body receives the energy for healing.

Here are the requirements for Distance Healing to be really successful (*continued on next page*):

healing with Ze'ev Kolman,

Absentee Healing, also known as remote healing/distant healing, is scheduled 7 days per week.

ANNOUNCEMENTS & TESTIMONIALS

(continued from Page 2)

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

Testimonial

Thank you very much for your time with me. When I was diagnosed with cancer, I was so scared I couldn't sleep, fearing I would not wake up. After a session with you, I felt at ease and not in fear. I was able to go forward in a positive way. I was able to sleep better and by our third session, I was sleeping regularly.

=====

When you are afraid, your body is tense and healing is more difficult. It is good to learn how to relax. The bio-energy has a relaxing effect on everyone.

There are some very good relaxation CDs online that can also

be helpful. Go to Kathryn Howard's Website at www.allgoodthings.com to read about Relaxation. She also sells her Relaxation CD and Yoga Dance DVD in the left column below the navigation menu. Well worth the price!

Testimonial

When I got my first distant healing, I was not prepared at all for what I felt. I remember lying in the bed and trying to sleep, but couldn't pull it off! So, I decided to just stay there and see if I could feel what Ze'ev was doing. I wanted to know if I could feel when it began.

There I was, with expectations. We all do that, I guess. I already knew about the physical wonders of what he does, because I had sessions with him prior to this. I just didn't expect to feel that with him in New York and me in Miami!

Suddenly, that sensation of someone holding a feather and swishing it up my arm began to be felt. I couldn't believe it, even when it was happening to me! I felt it move from my left wrist and up my arm and over to my face. Just as if he were there with me, I felt it.

I felt how my body began to tingle with the energy being given to me. I was so grateful that I knew Ze'ev. I slept deeply and felt much better the next day! —KH
