

Ze'ev Kolman

Bio-Energetic Healer

THIS MONTH'S MESSAGE FROM ZE'EV

I travel to Israel annually for the holidays. When the plane has reached an altitude of maintained balance, I use this time to start my spiritual work. I transfer energy from the universe to the people who request absentee healing from a high power to connect to the Energy. My trance state is like a frequency of energy compared to a satellite that comes directly from the universe. I concentrate on each client during this time of healing, and send waves of energy while I concentrate on the area that needs healing.

Early in the morning of Monday, April 22, I drove to Jerusalem, the Spiritual Mystic Holy Town. I parked my car outside of the walls and walked to the gates on my way to the holy places. On the narrow streets of Jerusalem, I started my walk from Delarosa. On the way to the holy wall, I could feel the strong energy. I found a quiet place in front of the holy walls, and did the absentee healing for all the people who requested the healing from the holy land of Jerusalem.

The weather was beautiful, sunny. A lot of rising lights drop like lightning

over Jerusalem. After the absentee healing, I walked to the left side of the holy wall to the bottom of the cave. I walked and walked, and there was no end to the cave. The stones have been there for thousands of years. I wonder what stories they would tell of the past if they could talk!

My family took me to the airport for my return to the U.S. I went through security, then through the gates back to New York. I started the last absentee healings during the flight and continued until the wheels of the plane touched the ground. It was early morning and still dark when I arrived home—to New York City.

Group Healings & Lectures

We conduct group healings every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing without spending a lot of money. The lectures cover Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation is conducted.

The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body. Mr. Kolman refers to this as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, or-

chestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

We offer a **Special Prevention Package**. Life is stressful. You work hard and deal with daily responsibilities. All the systems of your electromagnetic field need regular balancing and healing. Your aura needs cleansing of the debris and toxicity that accumulate. The infu-

sion of energy from your chakras and meridians needs to be balanced to promote good circulation. Regular monthly maintenance is the best way to restore a healthy mind, body and spirit. Let Ze'ev help you.

From the heart, Ze'ev sends a monthly spiritual blessing. On the same day and time each month, a spiritual blessing is offered to people on their birthday. If you need a blessing or know someone who does, please e-mail their name and location. If you celebrate your birthday in May or June, remember to meditate at Midnight (EST) on your birthday by focusing both on your physical intention and on the healer, Ze'ev Kolman. His healing energy will be sent to you.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also

very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting. Some clients also experience tingling sensation during distance healing, or a wave of heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many, but not for everyone. It depends on how long you have had the condition, how open you are to healing, and also how well your body receives the energy for healing.

Here are the requirements for Distance Healing to be really successful.

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the

physical distance between us.

Following is a testimonials from a client who received distant healings from Ze'ev Kolman.

Intervention in Spinal Stenosis

My name is Stanley. I had been in a wheelchair for 2 years. Someone told me about Ze'ev Kolman. I was a little skeptical, but I decided to see him. The first session I needed my provider's help to lie down on the healing table. I couldn't move my feet, as my energy level had dropped to zero. The second session, I got up off the table and walked to my wheelchair. This was a profound improvement compared to the previous session. Thank God for Mr. Kolman. May he live a long life to carry on the work that God has placed him on earth to do.

And think of those who are not so fortunate as you are. When the holidays come, give food to hungry people. Continue into springtime with a list of clothes and belongings that you can give away to those less fortunate. This is the best way to get rid of what you think is clutter. Someone else will think of it as treasures.
