

Ze'ev Kolman

Bio-Energetic Healer

THIS MONTH'S MESSAGE FROM ZE'EV

Happy Father's Day to all my clients who are fathers or expected to be! May you be blessed this Father's Day with everything you wish for yourself, and with good health, happiness and success.

As we celebrate this Fathers Day, I ask that all my fathers give themselves a moment to meditate and remember what a blessing it is to have a father, too. Fathers are so special. Some fathers have two difficult, important roles in life. They have to be the best father they can be and at the same time a great husband.

For those of us with a father still alive, remember that Father's Day is also a day for you to celebrate and remember that you are blessed to have a good father.

ANNOUNCEMENTS

(continued from page 1)

Show your father how much you love, cherish and feel special to be blessed with by him. And even if your father is not alive, give thanks for all that you shared with him and show him your love, even now on this very important day.

Keep in mind that your father does not have to be biological. Any male figure that represents a father in your life deserves recognition, too.

June marks the beginning of Summer when the Sun is bright again above us. Summers can be very hot, but they can also be a great time for some outdoor meditations. Always try to find time for meditation, because it is a very important for your health. The benefits of meditation include:

Improved concentration A clear mind helps you to be more productive in your everyday life.

Stress-relief Little things don't upset you in the same way. It is the nature of the mind to magnify little things—making a mountain out of a molehill! If you allow yourself to get upset all the time by little things, you turn them into big problems. Meditation helps you to become detached. You learn to live Here and Now, rather than having anxiety about the past or future. You do not worry about meaningless things, but you see the bigger picture instead.

Improved Health There have been numerous studies about the health benefits of meditation, because it reduces stress levels and alleviates anxiety. If we can reduce stress, that alone eliminates many health problems.

Knowledge of Self Meditation enables you to have a deeper understanding of your inner self. Through meditation you can gain a

better understanding of your life's mission and purpose.

The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body. Mr. Kolman refers to this as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is

(continued on Page 3)

ANNOUNCEMENTS & TESTIMONIALS

(continued from Page 2)

when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience tingling sensation during distance healing, or a wave of heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many, but not for everyone. It depends on how long you have had the condition, how open you are to healing, and also how well your body receives the energy for healing.

Here are the requirements for Distance Healing to be really successful:

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and

received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

Testimonial

Hans Holzer, PhD in *The Supernatural: Explaining The Unexplained* (2003, New Page Books) wrote, "...truly rivaling the healing results of the late Edgar Cayce, and far outshining any more recent paranormal healers is the Israeli healer Ze'ev Kolman. He has helped people with cancer and heart disease—permanently—and treated people with such serious illnesses as multiple sclerosis and even paralysis.

Kolman uses bio-energetic powers by passing his palms around a client without touching their body. He has also been quite successful with distant healing via telephone. He helped a woman in Japan with 10 long-distance sessions. The sound of his voice relayed through the telephone was just as successful as if it had been coming from him to a client in his physical presence. The feats of Ze'ev Kolman, who lives in New York City and Miami Beach, are well documented with medical reports and laboratory statements backing up his healings."
