## Bio-Energetic Healer

### THIS MONTH'S MESSAGE FROM ZE'EV

#### Greetings!

Well, here we are - already in October! Where has the year gone? I try to slow life down by becoming aware of the present moments more often. Yesterday is gone. Tomorrow is not here yet. They only exist in our minds, but they have a great effect on us. It can be very beneficial to focus one's attention on the present moment.

What are you doing right now? Why worry and create anxiety about something that might not even happen? Is the roof leaking? Do I have food on the table? Can I get up in the morning to take care of myself? If you answer yes to these questions, then take a moment to give thanks and relax. Take in a deep, long, loving breath of fresh air and be grateful that you can. Take a deep breath right now and feel renewed—as you read these words. It can be as simple as this to liberate yourself from your mind and negative habitual thinking.

If you can't slow down and be still, perhaps I can help you start a deeper process. Join a group healing meditation, or visit my office in New York. Almost everyone has an experience that takes them out of their everyday life for a few moments. People become aware of the fact that there is more inside than they ever realized. That is the inner dimension that is wired to relax and meditate. The chakra system of our bodies allows me to transmit

bio-energy into your chakras to balance your body's energy needs. This can be a catalyst for change, or a deepening of something already in motion to heal. Come and experience the wonderful gift. Seeing is believing.

We conduct a group healing every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing without spending a lot of money. The lectures are on Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation is conducted.

### The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body, which Mr. Kolman refers to as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the cha-

otic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

### Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience the tingling sensation during distance healing. Others feel a wave of heat, while others experience no physical presence. The effects are the same.

Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many people, but not for everyone. It depends on how long you have had the condition, how open you are to the healing, and also how well your body receives the energy for healing.

There are certain requirements for Distance Healing in order to be really successful

## ANNOUNCEMENTS

### Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

### Testimonial #1

As Ze'ev placed his hands over my body (without touching it), I could feel electricity coming from his hands and my body relaxed as he said the meditation. I felt the energy transfer to my body.

My blood pressure has been low for some time - 90 over 60. The day after I had my first session

with Ze'ev, it went to 109 over 73. It had not been like that for decades.

—C.S.

## TESTIMONIALS

### Testimonial #2

I definitely felt a presence during the session, and a sensation in my head. I experienced a deep sleep. My energy level felt stronger and the pain in my side disappeared after the first session. I felt negative and stressed when I arrived for today's second session, but then felt relief and again the tickling needle-like sensations over my body that emanated from his hands. Towards the end of the session I saw a flash of light and felt like something left my body. I was more energized.

—A.P.

### Testimonial #3

When I came for my first session, my body was full of pain from fibromyalgia, osteoporosis, and many other painful conditions. I could hardly get to the office from the pain in my legs and hips. The treatment with Ze'ev was so relaxing ... just a marvelous experience. After the session my whole body was healed and pain-free.

—N.C.

### Testimonial #4

I had terrible ringing in both ears day and night for about 3 months. I went to see one of the top ear specialists on the east coast. He told me that nothing could be done medically to stop the ringing and that I would just have to live with this problem.

I really don't know what would have happened if I had not had the privilege of Ze'ev working on my ear. I was always crying and restless at night because the ringing did not allow me to sleep.

Thank you for saving me from a terrible life of not being in control.

—C.P.

having lived with ugly scales all over my body for years. I felt like a toad. The curse had been lifted! There are no words to express what this does to a person. But I also realized that following day that I had forgiven the person who violated me, that I no longer held negative feelings about him! Thank you Ze'ev. You changed my life and continue to do daily.
