THIS MONTH'S MESSAGE FROM ZE'EV

Greetings!

Blessings to all. The beauty of autumn is upon us as the seasons of life bring change with less light and falling temperatures. We experience the cycle of the earth's changing colors and it affects each and every one of us. We need to look forward to the seasons and adapt ourselves with an attitude of gratitude. Another day, another year.

There are myriad publications and books about this, even the change of our own seasons from one year to the next as we get older. If we do nothing to compensate for these naturally-occurring changes, we just become an elderly person who complains about the weather and how it affects the aches and pains in our bodies.

If we look at ourselves realistically, we can come up with new ideas about how to make life easier for ourselves. Use it or lose it! Your body is like a great bio-computer. If you don't use your muscles every day, they won't be stronger—particularly when you pass middle age.

Now is the time to initiate new habits. We need motivation. Dramatic

events may force us, but if we take proactive steps to make changes in our diet or exercise regime, we can change our own lives dramatically. Bio-energetic healing can help you get out of the 'box of your self-made paradigm. It gives you additional energy to balance your body, mind and spirit. This is an easy way to re-program your bio-computer.

If your body is balanced, it is much easier to be proactive and make the necessary changes you need in your life. I have practiced Bio-Energy techniques for 35 years with a high rate of success. The financial crisis we find ourselves in now is as good a time as any to get healing energy for relaxing meditation and stress-reduction.

Group Healings & Lectures

We usually conduct group healings every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing without spending a lot of money. The lectures cover Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation is conducted.

The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body. Mr. Kolman refers to this as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly

follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

Special Monthly Prevention Package

We offer a **Special Prevention Package**. Life is stressful. You work hard and deal with daily responsibilities. All the systems of your electromagnetic field need regular balancing and healing. Regular monthly maintenance is the best way to restore a healthy mind, body and spirit. Let Ze'ev help you.

Purchase 6 Monthly Healing Sessions and receive the 7th month FREE! Call now to reserve your regular monthly appointment at the same time every month. It's easy to remember and you will reap the benefits of continuing care. From the heart, Ze'ev sends a monthly

spiritual blessing. On the same day and time each month, a spiritual blessing is offered to people on their birthday. If you need a blessing or know someone who does, please e-mail their name and location. If you celebrate your birthday in October or November, remember to meditate at Midnight (EST) on your birthday by focusing both on your physical intention and on the healer, Ze'ev Kolman. His healing energy will be sent to you.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting. Some clients also experience tingling sensation during distance healing, or a wave of heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many, but not for everyone. It depends on how long you have had the condition, how open you are to during the distance healing session.

Distance healing works for many, but not for everyone. It depends on how long you have had the condition, how open you are to healing, and also how well your body receives the energy for healing. Here are the requirements for Distance Healing to be really successful.

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

This will be faster than sending a handwritten note. I saw the doctor this past Wednesday and he gave me my report from the scan. I have been receiving distance healing for three months. I

had excessive metastasis cancer in my lungs, abdomen, liver and bone. I received these healings the day before chemotherapy and the day after. Upon review of another scan taken three months after the initial treatment, the radiologist told my doctor she had never seen such an improvement in a short period of time. I still have some lesions which are much smaller but the majority of them are gone. The doctor is saying 95% clear.

I have many people also praying for me but I know that I am open to Ze'ev Kolman's bioenergetic healing and I have been able to tolerate the chemotherapy. Thank you so much Ze'ev. —GodBlessyou! Ann Loffredo

Major Announcement! Integrative Wellness

It is with great pleasure to announce that David Jin, M.D., Ph.D. will join us as the Integrative Physician for our Center. Dr. Jin has a strong heritage in the art of healing: both his grandfather and father were renowned Chinese herbalists and acupuncturists.

We welcome Dr. Jin. He will consult privately, and also hold

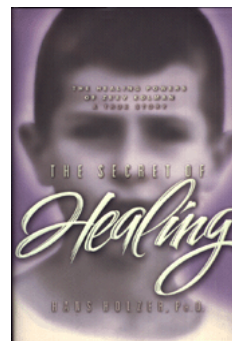

educational seminars, discussion groups and workshops related to integrative wellness at our Center. Dr. David Jin received his B.S. (summa cum laude) from the Massachusetts College of Pharmacy, followed by his medical education at the State University of New York Downstate College of Medicine (combined M.D./Ph.D. program).
