THIS MONTH'S MESSAGE FROM ZE'EV

HEALING

Ze'ev Kolman describes healing as Love. With his Bio-Energetic Healing, he replaces negative energy with positive healing energy. He also uses healing meditations to reduce stress and balance the body physically and emotionally. He works with individuals on a spiritual level.

He explains how our earth is composed of electromagnetic energy that runs in channels throughout the entire planet. For this reason, distance is irrelevant for him with Bio-Energetic Distance Healing.

Group Healings & Lectures

We conduct group healings every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing. The lectures cover: Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation takes place. See the Calendar below for the dates.

ANNOUNCEMENTS

(continued from Page 1)

Ze'ev looks closely at a client's aura to see if there is any absence or weakness in their energy field. He rarely touches a client, but rather projects bio-energy from a distance about two feet away, while he remains in a semi-trance state.

Energy is emitted from his open palms in broad movements above and around the body. Fresh energy is poured into the areas of the aura to restore the field to a strong equalized state.

The physical body absorbs the energy and, as a consequence, is healed.

Ze'ev categorizes healing and love as one. Healing is love. After a Bio-Energy Healing, most people describe it as being peaceful, calm, relaxing, and as a positive reinforcement of healing and love.

The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body. Mr. Kolman refers to this as the aura. The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr.

Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

If you celebrate your birthday in October or November, remember to meditate at Midnight (EST) on your birthday by focusing both on your physical intention and on the healer, Ze'ev Kolman. His healing energy will be sent to you.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience tingling sensation during distance healing, or a wave of heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many, but not for everyone. It depends on how long you have had the condition,

ANNOUNCEMENTS & TESTIMONIALS

how open you are to healing, and also how well your body receives the energy for healing.

Here are the requirements for Distance Healing to be really successful:

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

If time does not permit a regular distant healing, I will sometimes do telephone healing. My eyes can be open or closed. The process and techniques are the same as in distant healing.

Testimonial

Healing of Paralysis of Eye and Face from Bell's Palsy

Mr. Kolman immediately recognized that it was the right side of my face that was losing energy. People always thought the problem was on the left. I felt static energy moving from his hands. My eyes watered toward the end of the session.

The sessions have helped me. I speak without slurring my speech. When I first came I felt I had to hold up the right side of my face to speak properly. I can now eat and drink without spilling out of my mouth! My right eye feels much less pressure. Behind the eye the discomfort is gone. The eye color is healthy and vital again. I thank Ze'ev and God for this experience.

I called my Master's name inwardly, repeating his name. I pictured him standing at my feet and sensed his presence. Ze'ev was sitting in his chair instead of his usual exit from the room. He told me he was unable to speak for a moment as he sensed an angelic force in the room—as if he were being raised into another dimension.

He saw an image on the door behind me of a man who was changing faces in age (playing with him). The man was small, short, thin, in young years, heavier in older years. My master, Meher Baba, was short and thin from fasting in younger years and heavier in his older years. Ze'ev also said he had a Golden Aura around his head.

The plastic surgeons who examined me were surprised when I told them that I no longer had difficulty drinking and speaking, because last fall a healer helped me to recover these things. Usually clients with my

problem have difficulty drinking, eating and speaking after 4 years with the problem. As Ze'ev said, "If a client can recover even 20%, it is a successful healing." I feel I have gained much more than 20% from Ze'ev! —J.T.
