THIS MONTH'S MESSAGE FROM ZE'EV

Thanksgiving is just around the corner. This is a time for families and friends to get together and communicate about giving thanks for the love they have for one another and for their own lives. And, just as the pilgrims were grateful for their new-found freedom, we should all be grateful for what we've got and for being able to live in this beautiful country.

There are so many less fortunate people all over the planet. Keep them in mind when you give thanks this year. Include them in your thoughts with the hope that they have food today, too.

I have always enjoyed this holiday in America, because there is a stronger sense of community and togetherness. It's something the world needs more of at this time...

Thanksgiving also gives birth to a new season. It warms our hearts for the oncoming coldness of winter. And it isn't only the season that changes. Just as the electromagnetic field around the planet experiences a metamorphosis, our bodies join in. Nature begins to lose the autumn colors of leaves, and everything begins to be stark and barren. We need to keep our bodies warm and our hearts, too.

Give thanks this holiday month for what you've got. Be grateful that you are alive and living in a country of abundance. But most of all, bless the food that you put into your body every day. We are all very lucky to have food whenever we are hungry.

MESSAGE FROM ZE'EV

(continued from Page 1)

With all my heart, I hope that November is a joyous month for you and that you are able to join family and/or friends to celebrate the freedom you have in your life to choose where you want to be.

God Bless Everyone and have a wonderful Thanksgiving holiday! With all the pumpkin pies, think about your health, too!

Again, more than ever in the winter months, get warm with exercise. Walk a lot. Relax indoors. Practice yoga, QiGong, or some other healthy meditative form of exercise. Meditation and prayer can help us to be conscious of our inner selves again. One cannot say this enough...

THE INDIVIDUAL'S AURA—OR TEMPLATE

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body, which Mr. Kolman refers to as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy and orderly, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of a person's aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Ze'ev Kolman actually directs his healing bio-energy. When the influence of this enteric body has totally ceased, as in death, the component molecular parts return

to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at the energetic level before they become manifest at the cellular level. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

ple on their birthday. If you need a blessing or know someone who does, please e-mail their name and location. Ze'ev also extends a special *Birthday Discount* for a private session.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be “tuned into” the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience the tingling sensation during distance healing. Others feel a wave of heat, while others experience no physical presence. The effects are the same.

Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many people, but not for everyone. It depends on how long you have had the condition, how open you are to the healing, and also how well your body receives the energy for healing.

ANNOUNCEMENTS

(continued from Page 2)

There are certain requirements for Distance Healing in order to be really successful.

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

To receive a distance healing, please call **212-245-1715**.

Testimonial

MIRACLES

For many years I needed to use glasses to read books, for the computer, and to read text from a jar. After the first session with Mr. Kolman, I am reading without my glasses once again. It is so unbelievable.

I also had a low self-esteem. Since my session I have much more self-confidence

TESTIMONIAL

My second session with Ze'ev, I saw at the end a beautiful light. I asked him if he used a light bulb in the session. *(He doesn't use anything—just the energy that streams from his hands.)*

The endless light was such a beautiful experience for me. Ze'ev continues to say that the bright light represent lots of healing. —M.S.
