THIS MONTH'S MESSAGE FROM ZE'EV

Greetings!

November—already! It's hard to believe that we will soon be celebrating Thanksgiving and just around the corner, 2008! One can't help but wonder how time flew by so quickly!

Thanksgiving is a time for family, for getting together with loved ones, and for giving thanks for what you've got. As you travel to visit family and/or friends to celebrate the upcoming holidays, remember to feel gratitude in your heart for the food on the table—and the fact that you actually have something to eat.

Now is also the time to begin thinking about your resolutions for 2008 and to plan for their successful outcomes. It's far better to have foresight than hindsight. Start by writing a list of what you really believe is possible for you to achieve. Be realistic. Think about the upcoming year and how you need to change what you did this year to make your life even better next year.

In the previous month's newsletter, I wrote about how important it is to focus one's attention on the present moment. It is equally beneficial to think about the future and how the present moment has a major effect on it. People use

the word Karma or Fate. What you think right now will effect the next moment of your life. Keep this in mind as you get ready for all the changes that you want to create in your life.

Happy Thanksgiving! Ze'ev Kolman

We conduct a group healing every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing without spending a lot of money. The lectures are on Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation is conducted.

The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body, which Mr. Kolman refers to as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component

molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

blessing or know someone who does, please e-mail their name and location. If you celebrate your birthday in November or December, remember to meditate at Midnight (EST) on your birthday by focusing both on your physical intention and on the healer, Ze'ev Kolman. His healing energy will be sent to you.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience the tingling sensation during distance healing. Others feel a wave of heat, while others experience no physical presence. The effects are the same.

Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many people, but not for everyone. It depends on how long you have had the condition, how open you are to the healing, and also how well your body receives the energy for healing.

ANNOUNCEMENTS

There are certain requirements for Distance Healing in order to be really successful

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

Testimonial #1

Prior to my treatment, my day would start off with three minutes of blowing my nose, followed by the periodic use of nasal spray and constant headaches. I was willing to try anything in order to avoid surgery. Although I was skeptical about the treatment, it did more for me than I could have imagined. It lasted maybe no more than 15 minutes, but when it was over, I was amazed to find myself breathing through my nose for the first time in five years.

Thank you Ze'ev!

Do think of this as the holidays lead us into the New Year. It is so important to gather your creative thoughts and turn them into action in order to improve your own life and the lives of others.

And think of those who are not so fortunate as you are. When the holidays come, give food to hungry people. Start the New Year with a list of clothes and belongings that you can give away to those less fortunate. This is the best way to get rid of what you think is clutter. Someone else will think of it as treasures.

Happy Holidays!
