Bio-Energetic Healer

THIS MONTH'S MESSAGE FROM ZE'EV

Greetings! Happy Holidays!

December is the month when we come together as a family and share our gifts, memories and love with one another. Use this time to grow. Take the opportunity to look both within yourself and beyond. Acquire fresh insights to begin to understand that there is far more to our existence than the surface suggests.

Deep within each of us glows a spiritual flame that guides us to see beyond the simple physical and to let the potential of our spirit shine forth. Use the power of the light within you to repulse the darkness of prejudice, anger, jealousy, fear and despair. Recognize that human spark encouraging you to reach beyond your perceived limitations. We are all drawn to the flame, to the Light, searching for our very souls, yearning to touch the infinite, the brilliant, the miraculous.

Jewish people celebrate Hanukkah, which is also known as the Festival of Light. The Christians celebrate Christmas, which is the birth of Jesus Christ. African Americans celebrate Kwanza which is a seven-day

celebration for families and communities.

Others celebrate December as the month of giving. Whatever December means to you, remember to take time to celebrate YOU. Where were you from 2006 to January 1, 2007?

You deserve to pamper Yourself. Take time to meditate and find peace and comfort within. As we approach December, the month of gift-giving, first give a gift to the person who means the most to you. It makes you feel better to give than to receive. Then give yourself a gift and set yourself free, free of anything negative in your life. You deserve to be FREE.

Ze'ev Kolman celebrates for seven days from December 26, 2007 through January 1, 2008.

We conduct a group healing every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing without spending a lot of money. The lectures are on Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation is conducted.

The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body, which Mr. Kolman refers to as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become

disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

same time every month. It's easy to remember and you will reap the benefits of continuing care.

From the heart, Ze'ev sends a monthly spiritual blessing. On the same day and time each month, a spiritual blessing is offered to people on their birthday. If you need a blessing or know someone who does, please e-mail their name and location. If you celebrate your birthday in December or January, remember to meditate at Midnight (EST) on your birthday by focusing both on your physical intention and on the healer, Ze'ev Kolman. His healing energy will be sent to you.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting.

Some clients also experience the tingling sensation during distance healing. Others feel a wave of heat, while others experience no physical presence. The effects are the same.

Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

many people, but not for everyone. It depends on how long you have had the condition, how open you are to the healing, and also how well your body receives the energy for healing.

There are certain requirements for Distance Healing in order to be really successful

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

Testimonial

I first went to see Ze'ev on June 4, 2007. I remember that it was raining. I took the train from upstate New York with my fiancé, Phyllis. Basically, she was my crutch, because my fibromyalgia was so severe that I was in constant pain - especially in my legs. I could hardly walk. I thought I was going to collapse before we reached our destination.

Ze'ev was very warm and com-

made me feel very comfortable before our session even began, and my session was beyond anything I have ever experienced in my life.

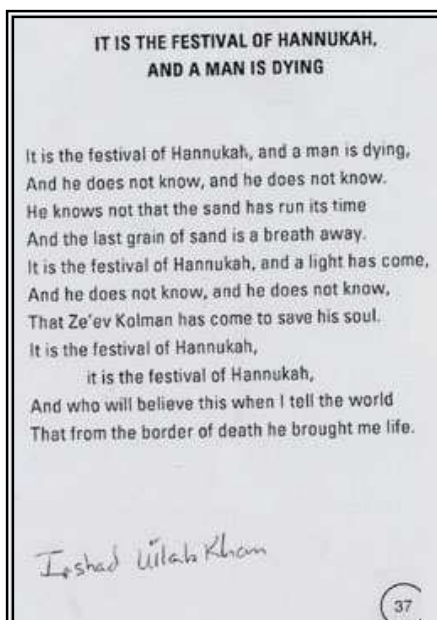

I felt warmth and a mild form of electricity emanating from his hands, even if he was not touching me. He continued this procedure up and down my body while softly speaking comforting words and playing angelic music in the background. I actually felt the pain dissipating in my legs. By the end of only 20 minutes, I got off the table PAIN FREE!

Tears of happiness welled up in my eyes quite unexpectedly and I felt such a great relief. I hugged Ze'ev and repeated over and over again, "Thank you, God Bless you!"

Before I left, Ze'ev honored me by personally autographing a copy of his bestselling book, "The Secret of Healing." I will treasure it always. In my opinion, Ze'ev Kolman has a wonderful gift of healing and I tell everyone I know about him.

I plan to return to take care of some other health problems and I know I will be healed! Love and Gratitude
