### **THIS MONTH'S MESSAGE FROM ZE'EV**

#### **Happy Holidays!**

Whether you celebrate Hanukkah, Christmas or Kwanza, may this holiday season light up your life and bring you all that you wish for yourself and your loved ones.

During the holiday season, many people get so busy that they forget to celebrate the true meaning of this very special time. Some even have unpleasant memories. For this reason, I recommend that you each try to spend some time with your family and friends. If this isn't possible, there are many organization and centers where you can share in the holiday spirit and meet people who can become long-lasting friends or even become part of your family!

Let us celebrate good health, happiness and success. First give thanks to the Creator of the universe and to all the people who help you, or who had a positive influence in your life.

### Group Healings & Lectures

We usually conduct group healings every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing without spending a lot of money. The lectures cover Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation is conducted.

### The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body. Mr. Kolman refers to this as the aura.

The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper organization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally

ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

### Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also very effective. It is just as powerful as a private session. In fact, it can even be stronger because the body is very open to receiving energy while resting. Some clients also experience tingling sensation during distance healing, or a wave of heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many, but not for everyone. It depends on how long you have had the condition, how open you are to during the distance healing session.

long you have had the condition, how open you are to healing, and also how well your body receives the energy for healing. Here are the requirements for Distance Healing to be really successful.

### Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

### Testimonials

**It is the festival of Hannukah, and a man is dying,  
And he does not know, and he does not know.  
He knows not that the sand has run its time, and the last grain of sand is a breath away.  
It is the festival of Hannukah, and a light has come,  
And he does not know, and he does not know,  
That Ze'ev Kolman has come to save his soul.  
It is the festival of Hannukah,  
It is the festival of Hannukah,  
And who will believe this when I tell the world, That from the border of death he brought me life.**

And just a short testimonial of another spectacular session that I had with Ze'ev. When the fluid started to shoot out of my navel, I was stunned. The pain in my abdomen disappeared and never returned. Ze'ev said it was the 'inflammation' leaving my body. Now how many people have felt this in any session with anyone?—Kathryn

### Major Announcement! Integrative Wellness

It is with great pleasure to announce that David Jin, M.D., Ph.D. will join us as the Integrative Physician for our Center. Dr. Jin has a strong heritage in the art of healing: both his grandfather and father were renowned Chinese herbalists and acupuncturists.

As a physician, Dr. Jin's unique background and experience allow him to integrate allopathic and holistic approaches to design and implement effective, personalized "healing plans" for his patients. Dr. Jin is also a strong advocate of preventive medicine for optimal health.

We welcome Dr. Jin. He will consult privately, and also hold educational seminars, discussion groups and workshops related to integrative wellness at our Center. Dr. David Jin received his B.S. (summa cum laude) from the Massachusetts College of Pharmacy, followed by his medical education at the State University of New York

Downstate College of Medicine (combined M.D./Ph.D. program). He was trained at the New York-Presbyterian Hospital and Memorial-Sloan Kettering Cancer Center during his clinical residency and fellowship. Dr. Jin is the founder of New York Integrative Wellness Center.
