Group Healings & Lectures

We conduct group healings every 2 weeks. Once a month we have lectures, which is a simple way to experience and learn more about bio-energetic healing. The lectures cover: Healing, Spirituality, the Aura and Chakras. Following the lecture, an intense group healing meditation takes place. See the Calendar below for the dates.

ANNOUNCEMENTS

(continued from Page 1)

1. The rainbow is more beautiful than the pot at the end because the rainbow is now. The pot never burns out to be quite all that I expected.
2. Compassion is the language that the blind can see and the deaf can hear.
3. Life can be a series of adventures and lessons. The lesson is an experience to regret. Make your choose
4. The past is history, the future a mystery and today is a gift. That is why we call it a present.
5. I need approval, but now that I am no longer a child I don't have to get it from any one person.
6. Are we human beings having a spiritual experience or are we spiritual beings having a human experience? Think about it.
7. We make ourselves real by telling the truth.
8. We should live in this world knowing we are only an instrument in the hands of God.
9. Smiling is more important than we think. It takes less energy to be happy than to be sad.

The Individual's Aura— or Template

Sometimes a healer creates his or her primary healing effect by supplying particular frequencies of etheric (higher) bio-energies to a client's etheric body. Mr. Kolman refers to this as the aura. The aura is a holographic bio-energetic template surrounding the individual—a type of spatial wave guide that assists the molecular/cellular systems of the body to achieve proper or-

ganization, orchestration and energetic balance.

If the template is healthy, the body resides in a state of health. When the etheric body is distorted and its organized patterns become disrupted by a wide variety of influences, the physical body slowly follows suit by manifesting illness.

The organization of the aura controls the orderly cellular behavior of the body's systems. It is the aura of the etheric body to which Mr. Kolman actually directs his healing bio-energy. When the influence of the etheric body has totally ceased, as in death, component molecular parts return to the chaotic disorder of inorganic matter.

The individual aura is the wave guide that controls the flow of life energy into the body. Patterns of illness occur at energetic levels before they become manifest at cellular levels. Dysfunctional subtle energetic changes in the etheric body may precede physical/cellular changes of an overt illness by weeks to months. Mr. Kolman can see that effect among some of his clients, and is able to predict upcoming symptoms of sub-clinical illness by reading one's aura.

We offer a **Special Prevention Package**. Life is stressful. You work hard and deal with daily responsibilities. All the systems of your electromagnetic field need regular balancing and healing. Your aura

On the same day and time of each month, a spiritual blessing is offered to people on their birthday. If you need a blessing or know someone who does, please e-mail their name and location. If you celebrate your birthday in December or January, remember to meditate at Midnight (EST) on your birthday by focusing both on your physical intention and on the healer, Ze'ev Kolman. His healing energy will be sent to you.

Distance Healing

Distance healing is performed while you sleep or rest. When your body is resting, your chakras—your energy centers—open up. This is when Ze'ev can easily transmit electromagnetic energy from his mind into your energy field for the purpose of healing. You only need to know the time for your body to be "tuned into" the same wavelength during the distance healing session.

Ze'ev recommends distance healing for clients who are too far away or are unable to come to the office because of a busy schedule or illness. Distance healing is also

(continued from Page 2)

very effective, and just as powerful as a private session. It can even be stronger because the body is very open to receive energy while resting.

Some clients also experience tingling sensation during distance healing, or a wave of heat, while others experience no physical presence. The effects are the same. Sometimes a client will awaken during the time of the healing. If this happens to you, stay in bed in a relaxed state.

Distance healing works for many, but not for everyone. It depends on how long you have had the condition, how open you are to healing, and how well your body receives the energy for healing.

Here are the requirements for Distance Healing to be really successful:

Distance Healing Requirements

1. Photograph
2. Complete address
3. Telephone numbers
4. Date of birth
5. Direction of your head while sleeping. Is it facing north, south, east or west?
6. A list of the conditions you want to focus on.

Our thoughts are like radio waves that can be sent and transmitted beyond our physical location and received at the other end—provided there is a receiver tuned into the right wavelength. This energy is transmitted through the force of my thoughts to the client who *opens* his or her channels to the proper wavelength and *absorbs* the energy regardless of the physical distance between us.

Testimonial #1

I came to see Ze'ev Kolman because of his dedicated service to Serving those who Serve. During the healing, I felt the electric current and energy down my arm and legs.

A bus accident resulted in my left knee being very unstable because of 3 torn ligaments.

It has been one month since I saw Ze'ev Kolman, and my knee is strong and free of pain.

I came to see Zeev with an open mind and I left with an open heart to share his gift with others.

Thank you Ze'ev Kolman

Quit Smoking For Good!

If you *prevent* disease through bio-energetic maintenance, your health will improve. Mr. Kolman has testimonials from people who quit smoking after working with him. It makes sense to get help if you are a smoker, or if someone you know smokes and you are forced to inhale their second-hand smoke. Think of your own health, the health of your children and loved ones. Call Mr. Kolman today to set up an appointment to quit smoking!
